SUBJECT: JONATHAN F. LEAHY

Dear Jere:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director

Dear Paul:

The St. Clair County, Missouri Prosecuting Attorney has tried this case in two preliminary hearings.

the first was dismissed because the Prosecuting Attorney did not establish the fact that the defendant was old enough to be tried as an adult.

The second was dismissed because the Prosecuting Attorney did not establish the fact that the defendant was in the courtroom.

The parents of the 16 year old alleged victim do not want their son to go through any more trials. Without his testimony there is no case.

Sincerely,

Jere B. Ratcliffe

Dear Jonathon:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be reinstated.

Sincerely yours,

Dan H. Wheatcroft

Dear Mr. Burum:

This is to advise you the agency's investigation on the report of sex abuse has now been completed. We found "Reason To Suspect" on three of the scouts who admitted being victims.

We have shared our information with Sheriff Hayworth, who will complete investigation of perpetrator.

I appreciate your cooperation the two days we were in camp, and especially your concern for the scouts you supervise.
